

# 2025 Event Managers

2/13/2025

Some events have a dedicated event manager.

**It is noted that these managers are volunteers who may also have a day job. They are not standing by to take your call.**

But we do want to be thorough and answer questions that may not be covered on the website. The best way to reach an event manager is by email, but, before you send an email, please check the tabs at the top of the home page of the website [qcsogo.org](http://qcsogo.org) for the answer to your question. If you do send an email, allow a couple of days for an answer by return email.
